

# The Apex Theory, Bullshed

Rush off along awaited offenders  
rush off along awaited friends  
we're not impressed with blinded herds  
nor with the way they dress  
we're not impressed with blinded herds  
nor with the way they dress

we saw those animals ahead toughening their skin  
scraped and bruised couldn't be good  
woke to cleaner and fresher air  
resistance can't help the frightend ones  
run only when you are threatend  
much of which comes from childhood  
and from being blunt

casual instinces of "random bursts"  
make for times enemy  
what is to lose?  
only yourself and everything  
do you think i'm letting up?  
stray us from nationalism  
our anthems respected  
we feel strong  
use it's platform  
mark yourselves from cornerstones
