

The Aquabats, Idiot Box!

Now now now
I'm just a boy
I watch too much TV
Nobody knows, nobody knows
Casper the Ghost is so friendly
Nobody knows, nobody knows
Sitting in my living room
With nothing else to do
I think I'm going blind
Just like Mr. Magoo
I know every single ending
Of every Scooby Doo
Now

[Chorus]
Turn off the idiot box
It's a disease just like the Chicken Pox
Turn off the idiot box
Now

Find yourself a partner
Turn on the television
And let it control your mind

Friends, Romans, countrymen,
I've got something to say
Nobody knows, nobody knows
Get up off the couch
Get up go out and play
Nobody knows, Nobody knows

[Chorus]

Turn it off If you are able
Nobody knows, nobody knows
Take a pair of scissors
And cut off that cable
Nobody knows, Nobody knows

[Chorus]
