

# The Aquabats, Idiot Box!

Now now now  
I'm just a boy  
I watch too much TV  
Nobody knows, nobody knows  
Casper the Ghost is so friendly  
Nobody knows, nobody knows  
Sitting in my living room  
With nothing else to do  
I think I'm going blind  
Just like Mr. Magoo  
I know every single ending  
Of every Scooby Doo  
Now

[Chorus]  
Turn off the idiot box  
It's a disease just like the Chicken Pox  
Turn off the idiot box  
Now

Find yourself a partner  
Turn on the television  
And let it control your mind

Friends, Romans, countrymen,  
I've got something to say  
Nobody knows, nobody knows  
Get up off the couch  
Get up go out and play  
Nobody knows, Nobody knows

[Chorus]

Turn it off If you are able  
Nobody knows, nobody knows  
Take a pair of scissors  
And cut off that cable  
Nobody knows, Nobody knows

[Chorus]
