

# The Archies, Hot Dog

Hot dog  
Life is tasting pretty good  
Oh yeah (Oh yeah)  
Hot dog  
Cause you love me like you should  
Oh yeah (Oh yeah)  
So put some mustard on my roll  
Cause your blocking up my soul  
Hot dog (Hot dog)

Hot dog (Hot dog)  
Feel like kicking up my heels  
Oh yeah (Oh yeah)  
Hot dog (Hot dog)  
Oh how good your kissin' feels  
Oh yeah (Oh yeah)  
So wagg your tail and let me know  
Just how much you love me so  
Hot dog

I like you see you walk (Hot dog)  
I like to hear you talk (Hot dog)  
I really relish you (Hot dog)  
Who could imbelish you (Hot dog)  
Who could imbelish you (Hot dog)  
Hot dog (Hot dog)

So put some mustard on my roll  
Cause your blocking up my soul  
Hot dog

I like you see you walk (Hot dog)  
I like to hear you talk (Hot dog)  
I really relish you (Hot dog)  
Who could imbelish you (Hot dog)  
Who could imbelish you (Hot dog)  
Hot dog (Hot dog)
