

# The Archies, Who's Your Baby

Hey  
what's your favourite thing in the world ?  
Fantastic ! Now tell me:  
How much do you love me ?  
Oh about this much. Mmm  
heavy !

Who's your Baby ?  
Who's the one you love ?  
You're the only one for me.  
Who's you dreaming of ?  
You're the only one my eyes can see.

An' let me say in ev'ry way you are dynamite.  
Do you know how good you really are ?  
Please don't let her stray away  
I pray each night.  
Can't stop now it's been - so good so far.

Who's your Baby ?  
Who's the one you love ?  
You're the only one for me.  
Who's you dreaming of ?  
You're the only one my eyes can see.

Upon opening your eyes when morning comes  
what's very first thing on your mind ?  
If you had enough  
hey  
would you give me some

and would a thank you to you do you fine.

Who's your baby in the mornin' ?  
Who's your baby at night ?  
Who do you want  
when you want somebody to come  
and hold you tight ?
