## The Ark, Clamour For Glamour

People here in your neighbourhood Act real cool but they dance no good I don't care what the others say When I've found a new game to play

Claim to fame, clamour for glamour Oh padeo oh pa padeo Claim to fame, clamour for glamour Oh padeo oh pa padeo

So come and get it Get it good Like I knew you would

People here in your neighbourhood Act real cool but they dance no good I don't care but I've been told That all those people ain't got no soul I kick them where the sun don't shine And take you down to my side of town I don't care what the others say When I've found a new game to play

Claim to fame, clamour for glamour Oh padeo oh pa padeo Claim to fame, clamour for glamour Oh padeo oh pa padeo x3
