

The Ark, Clamour For Glamour (Carbonara Remix)

People here in your neighbourhood
Act real cool but they dance no good
I don't care what the others say
When I've found a new game to play

Claim to fame, clamour for glamour
Oh padeo oh pa padeo
Claim to fame, clamour for glamour
Oh padeo oh pa padeo

So come and get it
Get it good
Like I knew you would

People here in your neighbourhood
Act real cool but they dance no good
I don't care but I've been told
That all those people ain't got no soul
I kick them where the sun don't shine
And take you down to my side of town
I don't care what the others say
When I've found a new game to play

Claim to fame, clamour for glamour
Oh padeo oh pa padeo
Claim to fame, clamour for glamour
Oh padeo oh pa padeo x3
