

# The Ark, Power To Change

It's at last a new day  
Spacey clothes and featherboas are lying on the floor  
Wish I could buy a new face  
so I could walk the streets and no-one'd notice me at all  
Ain't got no radar, nowhere to crash  
If I go on like this I sure ain't gonna last

Lord, give me the power to change  
when I realize I've turned into something that I hate  
Lord, give me the power to change  
when I realize I've turned into something that I ain't

And then you brought me new friends  
and you should know that I have been so thankful for them all  
But they all took me sideways  
'cause I never wanted to be anybody's superman at all, no  
You see; I'm only human, I make mistakes  
I'm not the devil, but I sure ain't no saint.

Lord, give me the power to change  
when I realize I've turned into something that I hate  
Lord, give me the power to change  
when I realize I've turned into something that I ain't  
said, Lord give me the power to change  
(realize now that you gotta change your ways..)

Loooooooooord!  
Lock me down  
It's driving me mad  
Please  
I'm serious this time  
Help me  
Help me

I've got the gift to make people less afraid  
It's time I use it for something else than gettin' laid.

Love, can be the power to change  
when I realize I've turned into something that I hate  
Love, can be the power to change  
when I realize I've turned into something that I ain't

Said; love, can be the power to change  
(realize now that you gotta change your ways..)
