

# The Ark, Racing With The Rabbits

So God made woman  
and God made man  
and God made them  
understand  
nature's law and the good  
God's grace  
the rest was to unknown  
remain

You broke the rules just to  
see for certain  
what it's like to be crucified  
You bit the apple  
You pulled off the curtain  
I hope You'll find  
that You're racing with the  
rabbits

But flesh must follow lust's  
decree  
so how could nature disagree?  
But flesh shall fail  
and the damage's done  
You've started a race  
that can't be won

You broke the rules just to  
see for certain  
what it's like to be crucified  
You bit the apple  
You pulled off the curtain  
I hope You'll find  
that You're racing with the  
rabbits
