

# The Armoury Show, Kyrie

Judy In July - looking into the sky  
Like a sail in the wind  
She sails away into the boundary

Oh Oh Oh Kyrie awake me

Judy in July - through a golden eye  
Can see over the fields  
The hawk weave on through the boundary

Oh Oh Oh Kyrie awake me

See it through - Judy Oh Judy

Curious in the vale of tears I know  
I love you anyway  
Memory - at the feast of fools I know  
I love you anyway

Will I remember you  
Will I get you back

Judy in July - in anger calm and shy  
Oh how she beats the floor

Oh Oh Oh Kyrie awake me
