

# The Army Of Freshmen, No Engine

I got a car and it doesn't drive  
all over town  
but with the right attitude it's gonna come alive  
all over town  
I'll hit the gas and drive so fast  
they'll all respect me when they can't catch me

NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE  
NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE

every day of my life I work on that car  
all over town  
and then the harder I work the more it seems to break down  
all over town  
I hear them laugh whenever they pass  
but they'll all respect me when they can't catch me

NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE  
NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE

but one day I'll ride off in the sunset, sayonara to the 4B exit  
from the parkway, to the turnpike, the expressway, they're all alike  
but I'm different, I am desert, headed west bound with the top down  
I'll send postcards, best wishes, dropping all hits, there will be no misses

NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE  
NO ENGINE, NO PROBLEM  
GOT A DREAM, GASOLINE, GOING ANYWHERE

ONE DAY I'LL RIDE OFF IN THE SUNSET
