

The Army Of Freshmen, Road Less Traveled

SO LONG, WE'LL TAKE THE ROAD LESS TRAVELED
WE'LL LEAVE EVERYTHING BEHIND

I know this town like the back of my hand
and I'm cutting off my hand
I'm gonna throw it in the sand
bury it way down deep
so my past can get a chance to sleep
and they'll be no more just sitting on a Saturday Night
thinking bout what could have been, should been, would been different
would of done it different, first chance at a last chance

I know they say I'm crazy
I think it just might save me
I'm down to save you too

SO LONG, WE'LL TAKE THE ROAD LESS TRAVELED
WE'LL LEAVE EVERYTHING BEHIND
YOU GO YOUR WAY, I'LL GO MY WAY
MAYBE WE CAN MEET UP ON A BRAND NEW HIGHWAY
EVERYTHING BEHIND

I have this plan in the back of my head
and I hide it away locked up nearly dead
but at night when I go to bed
there's only one prayer that ever gets said
it goes grant me the strength to finally say goodbye
sayonara see ya later on the flip slide
when I sleep let my past erase
wake up in a brand new place

I know they say I'm crazy
I think it just might save me
I'm down to save you too

SO LONG, WE'LL TAKE THE ROAD LESS TRAVELED
WE'LL LEAVE EVERYTHING BEHIND
YOU GO YOUR WAY, I'LL GO MY WAY
MAYBE WE CAN MEET UP ON A BRAND NEW HIGHWAY
EVERYTHING BEHIND

this ain't no song by the boss this is reality
my last shot, all I got and it means everything
no more magnet town tonight I defy gravity
and there's room for one more if you believe in me

SO LONG, WE'LL TAKE THE ROAD LESS TRAVELED
WE'LL LEAVE EVERYTHING BEHIND
YOU TAKE THE SHORT ROAD, I'LL TAKE THE LONG
YOU CAN BURY MY PAST AT THE END OF THIS SONG
EVERYTHING BEHIND

SO LONG
you can take the road less traveled
SO LONG
you can take the road
SO LONG
take the road less traveled
SO LONG
