

# The Arrogant Worms, A Man Has Needs

Baby I wanna tell you all my hopes and dreams and fears  
But I'm watching television, could you get me another beer  
There's wrestling and pro football on, I hope you understand  
I must watch it all for I am a man

And a man has needs  
And a man has desires  
Eternal fires that burn, burn, burn  
And a man he bleeds  
And a man he perspires  
'Til the stains show on his shirt

I missed our anniversary and the birth of our son  
It was beyond my control, my team was on a playoff run  
Oh baby, baby, baby, you mean everything to me  
But could you move your butt, you're blocking the TV?

And a man has needs  
And a man has desires  
Eternal fires that burn, burn, burn  
And a man he bleeds  
And a man he does tire  
Gets sleepy and naps on the couch

Oh baby, oh honey, oh darling, oh pudding, what are you doing with that suitcase? Leaving me? W

And a man has needs  
And a man has desires  
Eternal fires that burn, burn, burn  
And a man he bleeds  
And he shops at Canadian Tire  
And he always keeps his coupons

And a man has needs  
And a man has desires  
Eternal fires that burn, burn, burn  
And a man he bleeds  
And a man he expires  
And he cried when Wayne Gretzky retired
