

# The Artful Dodger, What Ya Gonna Do?

Drop the funk, drop the bass

Headed, headed for me  
Headed, headed for me  
Headed, headed for me  
Headed, headed for me

What you gonna do?  
What you gonna say?  
What you gonna do?  
What you gonna say?  
(Headed) What you gonna do?  
(Headed) What you gonna say?  
(Headed) What you gonna do?  
(Headed) What you gonna say?  
(Eh, eh yeah) What you gonna do?  
(Eh, eh yeah) What you gonna say?  
(Eh, eh yeah) What you gonna do?  
(Eh, eh yeah) Drop the funk, drop the bass

Lately I've been thinking  
The way you're treating me  
I've been wondering  
What it's about, and there's no doubt  
So when I leave (what you gonna do?)  
You're strong, no need to grieve (what you gonna say?)  
Here's my time to  
No need to shout, I'm out

(Eh, eh yeah) What you gonna do?  
(Eh, eh yeah) What you gonna say?  
(Eh, eh yeah) What you gonna do?  
(Eh, eh yeah) What you gonna say?

Eh, what you gonna do? (oh)  
Eh, what you gonna say? (sayyyyyy)

Drop the funk, drop the bass

Headed, headed for me  
Headed, headed for me  
Headed, headed for me  
Headed, headed for me

Lately I've been thinking

You've been treating me so bad  
You've been treating me so wrong

You've been treating me so bad

You've been treating me so bad  
You've been treating me so wrong  
You've been treating me so bad
