

# The Assembly, Never Never

I know just what to say  
it's just a game I play  
now I'm here on my own.  
I'd like to be with you  
I guess you always knew  
still I'm all alone.  
I know the story got it all worked out.  
It never happens to me  
it never happens to me.  
Maybe it's the way my life was meant to be.  
It never happens to me  
it never happens to me.  
Love's just a door that's locked and there's no key  
it never happens to me.  
I know every line  
it's just a waste of time  
'cause it's all such a shame.  
I've seen it all before and everytime I'm sure  
that it ends up to same.  
I know the story got it all worked out. . . .  
I know just what to say  
it's just a game I play  
now I'm here on my own. . . .  
I know the story got it all worked out. . . .  
I know the story got it all worked out. . . .
