

The Ataris, A Soundtrack For This Rainy Morning

All this useless beauty is haunting to my heart
Dim the headlights, make amendments
Starry sea of night

Oh, sounds of silence so enchanting, all embracing
So seductive and so pure
Oh, I'm so insensitive, alright
Beauty is touched by the light

Stare into lights on this motorway
Puncturing in the night
I often wonder what it would feel like
A slight jump to the right
Everything goes blind

Oh, I'm so insensitive, alright
Sadness so touched by the light

Oh, sound of sadness, beautiful sadness
Whispering softly
And this final portion of night, it is ours

Oh, I'm so sensitive, alright
Oh, beauty is touched by the light
