

# The Ataris, Bad Case Of Broken Heart

today I'm missing something  
in this small new england town.  
here's to you my best friend.  
just wanted to say that I miss  
having you around.

I'm staring at your picture  
and dreaming that I could hold your hand.  
we'd walk down to the ocean  
and I would write your name in the sand.

they say sometimes you need some time apart  
but I've got a bad case of broken heart.  
and you're the only one who's got the cure.  
and I can't live another day without seeing you smile.

2000 miles between us  
and I guess that I'm the one to blame.  
relationships and heartaches,  
these two things are one and the same.

the radio plays a love song.  
I smash my fist right through the dial.  
here's to the broken hearted.  
a generation born in denial.

they say sometimes you need some time apart  
but I've got a bad case of broken heart.  
and you're the only one who's got the cure.  
and I can't live another day without seeing you smile.
