

The Ataris, Broken Promise Ring

I really wanna call you,
but I know that it's not right.
I probably shouldn't tell you,
but I dreamt of you last night.
I guess I'm not prepared to say...
Goodbye, so long, farewell, I won't be seeing you again
Until next time that he goes away.

You told me that you loved me,
I started tearing down those walls.
I really started to trust you,
but you set me up to take the fall.
I guess I'm not prepared to say...
Goodbye, so long, farewell, I won't be seeing you again
Until next time that he goes away.

I guess that I'm wrong for falling in love,
But you're still the one that I'm dreaming of.
I guess that is you I want to hold onto,
But you're holding onto someone else (someone else)
I guess that im wrong (wrong) for falling in love
