

The Ataris, Up, Up, Down, Down, Left, Right, Left

O.K.

Today was a good day.

I didn't even have to use my A.K.

Atleast I didn't get my heart broken anyway,
wasting time in east new jersey.

Guess I could tell you 'bout
the snow covered rooftops,
sunsets, shooting stars
and picturesque backdrops.
Or how I went and hung out at quick-stop,
pretended that I was in Clerks.

Sometimes you gotta stop and remember,
your not gonna live forever.
Be young, think smart, stay true,
and just follow your heart.

Remember the good times,
we watched Karate Kid
and memorized every line.
Skipped school and went to the arcade.
Hung out and played galaga all day.

Stole a car and we drove to michigan.
600 miles with no destination.
Except to get in the car and drive,
and see where we'll end up.

Sometimes you gotta stop and remember.
your not gonna be young forever.
Think smart, have fun, stay true,
and don't ever grow up.

Don't grow up.
Don't grow up.

Out of all I've learned in life;
you always keep your friends close to your heart.
'cause they will help you if you're falling down.

And everything is O.K.
And everything is O.K.
And everything is O.K.
And everything is O.K.
And everything is O.K.
And everything is O.K.
And everything is O.K.
And everything is O.K.
