

The Atomic Bitchwax, Play the Game

Oh step this way and I'll show you how well yesterday
The tides have spread away well I got the law
You got this all you want aw you bitch
Coming to you now baby, you won't loose
Well have you learned I know that you got that
Aw play the game the sea is hot as hell
Oh in my eye I can't see it's for you and that's for me
Coming to you now, baby
