

# The Atomic Bitchwax, Smokescreen

Intro:

&quot;The infinity Q Ralphbot&quot; says<br>We are aware of your underground resistance you<br>are such fools &gt; let us cleanse this world<br>of the lies that infest it &gt; cast aside your mask<br>and see yourself for what you really are &gt; a life<br>full of spectors - lies - falsehoods and transparencies<br>report to the nearest cloning chamber<br>if you survive you will live under the star of a new god
