

The Audition, Basbhat

For so long
I have been attacked by your words
And never holding back
Now you're scared
Of where I have been
I was never alone
And I won't ever let this go
This is the path, the life I chose
My life ? my insides on my back
I'll keep my legs as strong as I can
I've been misguided by you
I've been mistreated, too
If you think I'm gonna take it, no [x2]
Thought you had me
Tied up by a string
On the side
Something I've been wanting
Said you're leaving
But to my defense
I was never alone
And I won't ever let this go
This is the path, the life I chose
My life ? my insides on my back
I'll keep my legs as strong as I can
I've been misguided by you
I've been mistreated, too
If you think I'm gonna take it, no [x2]
Say you want more
But it's all I got
I wanna make sure
That you know I won't stop
You thought you had me, baby
You thought you had me, baby
Say you want more
But it's all I got
I wanna make sure
That you know I won't stop
You thought you had me, baby
You never had me, baby
I've been misguided by you
I've been mistreated, too
If you think I'm gonna take it, no [x2]
