

The Autumn Offering, Embrace The Gutter

This power's racing
Through these veins
An anger grows and
Forgets my name
(Forgets my name)

Breaking down
I see red.
There's one more dose
Just one more dose
To clear my head

I hate
I hate this sickened world
You know
You know what I mean
Can you
Can you save me now?
Help me from falling down

Embrace the gutter
Cut up another
These little white pills
Won't kill you now

Tomorrow's empty
One taste to hold true
Today I tempt thee
Ask not what I do
I face a new day
With eyes dark and black
I ask my own mind
Now there's no
Turning back
I hate this sick
World of life
You know what
I feel inside
Can you save me now?
I'll try
Help me from falling down
