

# The Avalanches, Diners Only

Who is it?

Ohh, he asked me,

Susie... Susie... Susie, he's lookin' at you,

You didn't tell me,

I did it to you,

Would either of you like a drink before we take off?,

Yes, we would like one of your finest champagnes

Got the bockily, bock it down on me

Got the bockily, bock it down on me

Spockily,

Bockily, bock it down on me,

Got the bockily, bock it down on me

Got the bockily, bock it down on me

Spockily, spockily, spockily, spockily...
