

The Avalanches, The Condom Song

I wanna fuck your mum
Protect me
With Johnsons extra large condoms!
Feel the ribs with my powerful thrust
You can hire me, bring me back after a session
Anal lube does the trick
One night anal stands cause I can
I like sixtyiners
Specially with other guys
Threesomes are nice, with lots of anal lube
Orgys are cool, with loads of condoms

COZ I LOVE..... ANAL LUBE AND CONDOMS
