

# The Avett Brothers, Paranoia In Bb Major

I keep tellin' myself that it'll be fine  
You can't make everybody happy all of the time  
I find myself in a place that I never been  
A place that I thought that I could never be  
There's people looking back at me

I keep having this dream; I'm at a party  
There's people throwing drinks and screaming telling me that I don't belong  
Lately life's been the same I find this comfortable place  
With all my friends then my friends start telling me that I've always been wrong  
And I'm so tired of being wrong

There was a time I could move there was a time I could breathe  
The crowded spaces filled with angry faces  
It didn't once cross my mind  
With paranoia on my heels; Will you love me still  
when we awake and see that the sanity has gone from my eyes?

I got secrets from you, you got secrets from me  
Because you're so worried about what I'm gonna to think,  
Well I'm worried too  
But if love is a game, girl, then you're gonna win  
I'll spend the rest of my life bringing victory in  
If you want me to
