

# The B-52s, Housework

I am doing my housework  
Got no time to fool 'round  
I am doing my housework  
Cleanin' up and I'm gettin' down

It'll be so clean  
You can eat off the floor  
You can eat off the wall  
Or anywhere at all  
'Cause I'll make this place  
A party pad for two  
And I'm not stoppin' 'til I do

I'm so tired of this vacuum  
Need a man to help soon  
Don't need a man to make a move on me  
I need a man to move in with me

Don't need a man to treat me mean  
I need a man to help me clean

Someone who's heaven sent  
Someone to help pay rent  
Someone to share dreams and wishes  
Someone to help me do the dishes
