

# The B-52s, Legal Tender

We're in the basement, learning to print  
All of it's hot!  
10-20-30 million ready to be spent  
We're stackin' 'em against the wall  
Those gangster presidents

Livin' simple and trying to get by  
But honey, prices have shot through the sky  
So I fixed up the basement  
With what I was a-workin' with  
Stocked it full of jelly jars  
And heavy equipment  
We're in the basement...

10-20-30 million dollars  
Ready to be spent

Walk into the bank, try to pass that trash  
Teller sees and says "Uh-huh that's fresh as grass"  
See the street pass under your feet  
In time to buy the latest model getaway Jeep

So I fixed up the basement  
With what I was a-workin' with  
Stocked it full of jelly jars  
And heavy equipment  
We're in the basement

So I fixed up the basement  
With what I was a-workin' with  
Stocked it full of jelly jars  
And heavy equipment  
We're in the basement,  
Learning to print  
All of it's hot  
All counterfeit
