

# The B-52s, Runnin' Around

My baby, lookin' for my baby  
Runnin' around  
Lookin' up, lookin' down  
Yeah ya know I'd sure like to run around with littly baby right now  
But you're nowhere to be found  
In the restaurants, in the store,  
I'm run, run, runnin' around (runnin')  
Run, run, runnin' around (runnin')

Lookin', lookin' high, lookin' low, for you  
Lookin' here, lookin' there  
But you're nowhere  
I'm lookin' for my baby, yeah  
Run, run, runnin' around  
Run, run, runnin' around  
Chasin' rainbows in the mud  
You got me chasin' rainbows in the mud  
In the windows over walls  
Through the beauty parlor at the mall  
I'm run, run, runnin' around  
Run, run, runnin' around

I'm lookin' for my baby  
I'm lookin' for that girl  
Run, run, runnin' around  
Run, run, runnin' around  
You got me runnin'

You're NOWHERE!

I'm lookin' for my baby  
I'm lookin' for that girl  
Runnin', runnin', runnin', (Runnin' around)  
Runnin', runnin', runnin', (Lookin')  
Runnin', runnin', runnin', (All over town)  
Runnin', runnin', runnin', (You got me)
