

The Babys, Downtown

If you want to get in touch with me
If you want to chance the US mail
I can show you things you've never seen
I can tell you girl it never fails
Let me take you
Where a million (can't decipher?) will chime for you
And the music flashes through the air
There is nowhere else for us to be
Come on baby let me take you there
Let me take you around
Get your feet off the ground
No way we won't be found
Yeah, let me take you Downtown
Come on, come on
Come on, come on
I can hear my heart beat faster now
I can feel yours too babe
Take my hand and I will show you
Do anything you want to do
Let me take you
We can stay out till the morning light
Out in the street. out in the night
I got a pocket full of money
And it's bound to be alright
Let me take you around
Get your feet off the ground
No way, we can't be found
Yeah, let me take you Downtown
Come on, come on
Come on, come on
We'll take your Daddy's car
Drive it into town
Put on your best dress girl
I said come on out
Come on babe
Come on out, come on
I'm gonna take you
I can hear my heart beat faster now
I can feel yours too babe
Take my hand and I will show you
Do anything you want to do
Let me take you around
Get your feet off the ground
No way, we won't be found
Yeah, come on I'll take you Downtown
Come on, come on
I'm gonna take you around
Get your feet off the ground
I'm gonna take you..
Downtown
Baby gonna
Down, down
Down, down
Down, down
Down, down
Down, down
Down, down
