The Babys, Dying Man

Come on sugar
You know I love you so
I ain't got much time before I go
I'm a dyin' man yeah
That's all I am
I'm a dyin' man
That's all I am
So help me baby
Come on baby
You know I feel
Just make it fast before I go
I'm a dyin' man
Oh yeah
That's all I am
I'm a dyin' man yeah
That's all I am
Come on sugar
Give me everything you got
I love you so I'm feelin' hot
Cause I'm a dyin' man
Well that's all I am
Yeah that's all I am
That's all I am
That's all
That's all I am
