

The Babys, Everytime I Think Of You

Everytime I think of you
It always turns out good
Everytime I've held you
I thought you understood

People say a love like ours
Will surely pass
But I know a love like ours
Will last and last

But baby I was wrong not knowing how our love should go
But I wasn't wrong not knowing how our love would grow

(Chorus)
And everytime I think of you
Everytime I think of you
It always turns out so good

Seasons come and seasons go
But our love will never die
Let me hold you darlin'
So you won't cry

'Cos people say that our love affair
Will never last
But we know a love like ours
Will never pass
