

# The Babys, I'm Falling

If I had the time to look hard at you  
The things I know I'd find  
The things I'd have to do  
And sometimes I wonder  
Oooh I'm falling  
What else can I say  
Oooh I'm falling  
Fading away  
If I had the peace of mind  
Oooh I'd catch a plane and move away  
Far away from you and the things you say  
And sometimes I love ya  
Oooh I'm falling  
What else can I say  
Oooh I'm falling  
Fading away  
If I had your dreams  
Oooh I'd have everything  
Time has taken mine  
And left me these songs to sing  
And sometimes I wonder  
Oooh I'm Falling  
What else can I say  
Oooh I'm Falling  
Fading away  
Can you see me  
Feet off the ground  
Can you feel me  
Head spinnin' 'round  
Oooh I'm falling  
What else can I say  
Oooh I'm falling  
Fading away
