

The Babys, Love Won't Wait

Tell me that you're lonely
And you miss me so
And that you're living for me
In the afterglow
I can feel the passion
I can feel the heat
You can't keep a secret
And I can't be discrete
You tell me love won't wait
Love won't wait
Love won't wait
Love won't wait
Love won't wait
Tell me that you miss me
And that your heart's on fire
Living out a fantasy
And it's all desire
Neon lovers making
Red hot neon love
Gazing at the sky together
Into to the stars above
They tell you
Love won't wait
Love won't wait
Love won't wait
Love won't wait
Love won't wait
When I'm alone with you
The whole world seems alight
Burnin' through the darkness
Til the daytime turns to night
Love won't wait
Love won't wait
Love won't wait
Love won't wait
Love won't wait
