

# The Band, Blues Stay Away From Me

Blues stay away from me  
Uh-uh-uh, blues why don't you let me be  
I don't know why you keep a-hauntin' me.

True love was never meant for me.  
True love was never meant for me.  
It seems somehow we never can agree.

My life is full of misery  
And dreams are like a memory,  
They're bringing back your love that used to be.

I got teardrops so many I can't see  
And years don't mean a thing to me  
But time goes by and still I can't be free.

Uh-uh-uh, blues stay away from me,  
You hear me, blues why don't you let me be,  
I don't know why you keep a-haunting me,  
No, I don't know why you keep a-haunting me,  
Oh, I don't know why you keep a-haunting me.
