

# The Band, Georgia On My Mind

Georgia, mmm Georgia, the whole day through  
There's that old sweet song that keeps you, Georgia, on my mind

Oh Georgia, mmm Georgia, the song of you  
Comes as sweet and clear just like moonlight through the pines

Other arms reach out for me  
And other eyes have smiles tenderly  
But still in peaceful dreams I see  
That the road, the road leads back to you

Oh hey Georgia, ooh Georgia, no peace, no peace I find  
And there's still this old sweet song that keeps you, Georgia, on my mind  
There's that old sweet song that keeps you, Georgia, on my mind  
That keeps you, Georgia, on my mind
