

# THE BANGLES, Ask Me No Questions

If I told you I don't mind  
Would you believe me?  
When I say to you, you're not my kind  
Do I deceive you with this fragile disguise?  
Ask me no questions  
And I will tell you no lies  
If you could read my heart I would not deny  
But I pretend  
All these tears on my face don't imply  
That I'm not happy just to see you with her  
One small voice that will never be heard  
I'm in love with you  
Oh, I'm in love with you  
But I turn away when you look in my eyes  
Ask me no questions I'll tell you no lies  
I'm in love with you  
I'm in love with you  
Oh, I'm in love with you  
Trying to smile with a hole in my heart  
No one knows I'm falling apart  
I'm in love with you  
Oh, I'm in love with you  
But I turn away when you look in my eyes  
Ask me no questions I'll tell you no lies  
I'm in love with you
