

# The Bates, I Know Now

is it too much love  
is it too much pain  
do you like to see (make) me cry  
is it all that I will get?  
I am on my way  
I nearly loose my mind  
do you like to make (see) me cry  
is it all that I will get?  
I don't really know  
why I love you so  
but I know that it is true  
yes I know now?  
now that you're gone  
I'm having cheap thrill fun  
and I now that it is time  
yes know now  
I know now
