

The Battered Ornaments, Take Me Now

Take me now
while my smile still remains on its feet
Take me, yeah me
while I'm ordering scarecrows
combing the hedgerows in the mattress

Ooh, take me now
while the hair on my mind is still thick
Take me, yeah me
while the [...] are cheering
bulldozers clearing up the dinner

Take me now
while the eyes in my head are still blue
Take me, yeah me
while I'm riding rhinos
sweeping the lino on the ceiling
ordering scarecrows
combing the hedgerows in the mattress
na na na na na
la la la la la up the dinner
