

The Beach Boys, At My Window

Birds fly up
And down spinnin' round
Flyin' all around
From my window
A little brown sparrow came
Flutterin' down
Le moineau est venu
Se poser ma fenjtre
He came to my window
And as I watched him
I found myself reelin' and turnin' around
And the faster I ran
I ran out of breath and I fell to the ground
(Poof)
Ahhhhhhhhhhhhh
He came to my window
He came to my window
He came to my window
From their eyes
The people must look like miniature toys
Do do do do do
Do do do do do do
Fly away
Fly away
Fly away
