

# The Beach Boys, Cuddle Up

The night has come  
Cuddle up to me  
Keep warm  
Mmm close to me  
In dreams  
We'll dream  
Making love to wake  
To find  
Mmm we're still one  
Your love  
Your love  
Your love  
Your love for me  
Is so  
Warm and good to me  
Growing every day  
Honey  
Honey  
I'm in love  
Ooooo  
I know a man  
Who's so in love  
Mm mm  
The night  
Has come  
Cuddle up  
To me  
Keep warm  
Mm close to me  
Your love  
Your love  
Your love  
Your love for me  
Is so warm and good to me  
Growing every day  
Honey  
Honey  
I'm in love  
Ooooo oooo oooooooo  
I know a man  
Who's so in love  
Mm mm
