

# The Beach Boys, Do You Remember?

Little Richard sang it and Dick Clark brought it to life  
Danny and the Juniors hit a groove, stuck as sharp as a knife  
Well now do you remember all the guys that gave us rock and roll  
Chuck Berry's gotta be the greatest thing sthat's come along  
(Hum diddy waddy, hum diddy wadda)  
He made the guitar beats and wrote the all-time greatest song  
(Hum diddy waddy, hum diddy wadda)  
Well now do you remember all the guys that gave us rock and roll  
(Hum diddy waddy doo)  
Elvis Presley is the king  
He's the giant of the day  
Paved the way for the rock and roll stars  
Yeah the critics kept a knockin'  
But the stars kept a rockin'  
And the choppin didn't get very far  
Goodness gracious great balls of fire  
Nothin's really movin till the saxophone's ready to blow  
(Do you remember, do you remember)  
And the beat's not jumpin' till the drummer says he's ready to go  
(Do you remember, do you remember)  
Well now do you remember all the guys that gave us rock and roll  
(Do you remember)  
Let's hear the high voice wail (oooooooooooo)  
And hear the voice down low (wah-ah ah-ah)  
Let's hear the background  
Um diddy wadda, Um diddy wadda  
Um diddy wadda, Um diddy wadda  
They gave us rock and roll  
Um diddy wadda, Um diddy wadda  
They gave us rock and roll  
Um diddy wadda, Um diddy wadda  
They gave us rock and roll
