

# The Beach Boys, Farmer's Daughter

Ooo wah  
Ooo wah  
Every time I have a date there's only one place to go  
That's to the drive in  
It's such a groovy place to talk and maybe watch a show  
Down at the drive in  
Forget about the plot, it'll do very well  
But make sure you see enough so you're prepared to tell  
About the drive in  
(Ooo wah)  
I love the drive in  
(We love the drive in, we love the drive in)  
If the windows get fogged you'll have to take a breath  
(Oooooooooo waah oooo)  
Down at the drive in  
(Wah wah ooooooooo)  
Or the cat dressed in white will scare you both to death  
Down at the drive in  
A big buttered popcorn and an extra large coke  
A few chili dogs and man I'm goin' broke  
Down at the drive in  
(Ooo wah)  
Yeah at the drive in  
(We love the drive in, we love the drive in)  
Don't sneak your buddies in the trunk 'cause they might get caught  
By the drive in  
(Wah wah wah ooooooooo)  
And they'd look kinda stupid gettin' chased through the lot  
(Wah ooooooooo)  
Around the drive in  
If you say you watch the movie you're a couple o' liars  
And "Remember only you can prevent forest fires"  
Down at the drive in  
(Ooo wah)  
I love the drive in  
(We love the drive in, we love the drive in)  
Down at the drive in  
(Ooo wah)  
I love the drive in  
(We love the drive in, we love the drive in)  
Down at the drive in  
(Ooo wah)  
I love the drive in  
(We love the drive in, we love the drive in)
