

The Beach Boys, Farmer's Daughter

Ooo wah

Ooo wah

Every time I have a date there's only one place to go

That's to the drive in

It's such a groovy place to talk and maybe watch a show

Down at the drive in

Forget about the plot, it'll do very well

But make sure you see enough so you're prepared to tell

About the drive in

(Ooo wah)

I love the drive in

(We love the drive in, we love the drive in)

If the windows get fogged you'll have to take a breath

(Oooooooo waah oooo)

Down at the drive in

(Wah wah ooooooo)

Or the cat dressed in white will scare you both to death

Down at the drive in

A big buttered popcorn and an extra large coke

A few chili dogs and man I'm goin' broke

Down at the drive in

(Ooo wah)

Yeah at the drive in

(We love the drive in, we love the drive in)

Don't sneak your buddies in the trunk 'cause they might get caught

By the drive in

(Wah wah wah ooooooo)

And they'd look kinda stupid gettin' chased through the lot

(Wah ooooooo)

Around the drive in

If you say you watch the movie you're a couple o' liars

And "Remember only you can prevent forest fires"

Down at the drive in

(Ooo wah)

I love the drive in

(We love the drive in, we love the drive in)

Down at the drive in

(Ooo wah)

I love the drive in

(We love the drive in, we love the drive in)

Down at the drive in

(Ooo wah)

I love the drive in

(We love the drive in, we love the drive in)
