The Beach Boys, I Just Wasn't Made For These

Round round get around

I get around

Yeah

Get around round I get around

I get around

Get around round I get around

From town to town

Get around round I get around

I'm a real cool head

Get around round I get around

I'm makin' real good bread

I'm gettin' bugged driving up and down the same old strip

I gotta find a new place where the kids are hip

My buddies and me are getting real well known

Yeah, the bad guys know us and they leave us alone

l get around

Get around round I get around

From town to town

Get around round I get around

I'm a real cool head

Get around round I get around

I'm makin' real good bread

Get around round I get around

I get around

Round

Get around round oooo

Wah wa ooo

Wah wa ooo

Wah wa ooo

We always take my car cause it's never been beat

And we've never missed yet with the girls we meet

None of the guys go steady cause it wouldn't be right

To leave their best girl home now on Saturday night

I get around

Get around round I get around

From town to town

Get around round I get around

I'm a real cool head

Get around round I get around

I'm makin' real good bread

Get around round I get around

I get around

Round

Ah ah ah ah ah ah ah

Round round get around

I get around

Yeah

Get around round I get around

Get around round I get around

Wah wa ooo

Get around round I get around

O000 000 000

Get around round I get around

Ahh ooo ooo

Get around round I get around

Ahh ooo ooo

Get around round I get around

Ahh ooo ooo
