

The Beach Boys, It's Just A Matter Of Time

Darling I'm lost without you
Sad with nothing to do
It's just a matter of time
Whoa darling
What is it you're doing
What's that mood that's brewing
It's just a matter of time
When we went our separate ways for the first time
I was sure that it would be the last time
Whoa darling
I'm waiting for you
Sad with nothing to do
It's just a matter of time
It's just a matter of time
