

The Beach Boys, Make It Good

Look at me
Funny face
That's not you
A wrinkled nose
A tear
You're crying
Oh
Rest your head
Cry on me
Don't be afraid
I'll stay with you
I know you'll make it
And you'll make it good
And you'll make it good
And you'll make it good
All of my life
I haven't known much
All I know
Is what I feel
And what I feel
And what I feel
Love
I'm in love
Love
Love
Ooo
