

# The Beach Boys, Monster Mash

I was working in the lab  
And light one night  
When my eyes beheld  
An eerie sight  
When my monster from his slab  
Began to rise  
And suddenly  
To my surprise  
He did the mash  
He did the monster mash  
The monster mash  
It was a graveyard smash  
He did the mash  
It caught on in a flash  
The monster mash  
It's called the monster mash  
The laboratory in the castle eaves  
And the master bedroom where the vampire sleeps  
The girls all came from their humble abodes  
To get a jolt from my electrodes  
They did the mash  
They did the monster mash  
The monster mash  
It was a graveyard smash  
They did the mash  
It caught on in a flash  
The monster mash  
It's called the monster mash  
Zombies were having fun  
The party had just begun  
The guests included Wolfman  
Dracula and his little baby boy  
The scene was rocking  
All the digging sounds  
Igor unchained ????  
The Coffin Bangers were about to arrive  
With a local group the Beach Boy five  
They did the mash  
They did the monster mash  
The monster mash  
It was a graveyard smash  
They did the mash  
It caught on in a flash  
The monster mash  
It's called the monster mash  
Mmmm, what luck girl in the audience  
Would care to dance with Igor?  
The monster mash is so ghoul  
Muah ha ha ha  
Muah ha ha ha
