

# The Beach Boys, Mountain Of Love

(Downbeat, Denny. Denny. Downbeat!)

(\*Laughter\*)

(What?)

(Get out of here!)

(Oh, man!)

(Oh, rock out!)

Standin' on a mountain lookin' down on a city

The way I feel is a doggone pity

Teardrops fallin' down the mountainside

Many times I've been here, many times I've cried

We used to be so happy when we were in love

High on a mountain of love

Night after night I'm a-standin' here alone

Weepin' out my heart (\*laugh\*) till the cold grey dawn

Prayin' that you're lonely and you'll come here too

Hopin' just by chance that I'll get a glimpse of you

(Oh yeah!)

Trying hard to find you somewhere up above

High on a mountain of love

The mountain of love, the mountain of love

You should be ashamed

You used to be a mountain of love

But you just changed your name

Way down below there's a half a million people

Somewhere there's a church with a big tall steeple

Inside the church, there's an altar filled with flowers

Wedding bells are ringin' and they should've been ours

That's why I'm so handy, my dream is gone above

High on a mountain of love

([...])

(Keep playin' it like it is!)

([...])

High on a mountain of love

The mountain of love, the mountain of love

You should be ashamed

You used to be a mountain of love

But you just changed your name

Way down below there's a half a million people

Somewhere there's a church with a big tall steeple

Inside the church, there's an altar filled with flowers

Wedding bells are ringin' and they should've been ours

That's why I'm so lonely, my dream is gone above

High on a mountain of love

High on a mountain of love

High on a mountain of love

High on a mountain of love

(What, honey?)

High on a mountain of love.

(Hahahaha.)

Ooh baby...

(That's good.)

...one more time. Oooh baby. Oooooo.

(That's a good voice.)
