

# The Beach Boys, Never Learn Not To Love

Cease to resist, come on say you love me  
Give up your world, come on and be with me  
I'm your kind, I'm your kind, and I see  
Come on come on, ooo I love you pretty girl  
My life is yours, and you can have my world  
I'm your kind, I'm your kind, and I see  
Never had a lesson I ever learned  
I know I could never learn not to love you  
Come in now closer  
Come in closer closer closer ahhhh  
Submission is a gift given to another  
Love and understanding is for one another  
I'm your kind, I'm your kind, and I see  
Never had a lesson I ever learned  
I know I could never learn not to love you  
Come in now closer  
Come in closer come in closer ahhhh
